THANK YOU

We have received the letter below following our donation of food from our Harvest Service.

For the attention of the congregation St Peters Church, Wickham Rd

Dear Lynne, Carol and all our friends at St Peters

We are writing to say thank you so much for the wonderful harvest box delivered to the hostel this week.

As you probably know having lost our funding that paid for the food we are able to give the residents here, we fundraise for this each year so practical gifts, of food that will make our shopping go further make real difference.

We do appreciate the support the church give us as our "local" and look forward to seeing what other things we can work on together in the coming year. We are very keen to improve our fundraising so I am looking for volunteers to join us to come up with and run initiatives. Lynne has my contact details!

Best regards

Rebecca Long, Director

Marsha Phoenix Memorial Trust

Don't forget to put some of your **buy 1 get 1 free** offers in the food box at the back of church.
Thank you.
