at St. James Church, New Cross, always welcomes donations of food and toiletries. When we have an overflowing food box in church we take the excess to them. At the moment they would very much welcome jars of jam, marmalade and honey.

LIVING - CONNECTING - GROWING

One of the aims of St. Peter's Mission Action Plan is to

NURTURE THE CHURCH'S CULTURE OF FAMILY AND FRIENDLINESS

The vast majority of visitors to our Church say how welcome they feel and how friendly everyone is.

If you see someone you don't recognise why not introduce yourself, invite them to stay for tea/ coffee and take that opportunity to introduce them to a few more people. It's our 'church family' responsibility to make new people feel welcome, not just left to a few people. And you never know what God has in-store for us - you may make a new life-long friend!
